Teas from a single plant, the Camellia Sinesis. If left to wither (oxidize), the tea leaves turn black. If immediately steamed they remain green. Oolong teas range between two (partially oxidized). White tea is the least processed and exclusively the top leaf and bud. Numi is unique in its commitment to using organic and kosher whole leaves, real fruits and fresh spices. Numi's difference is steeped in every cup by hand blending organic, whole leaf teas and fresh pure herbs without oils, flavoring or tea dust.
