

Hi, I'm traveling to Port Huron. Can you tell me about the Raven Café?

We have a lot to offer. How much time do you have?

Uh... I'm heading north on I-94. About 45 minutes?

Raven Café,
Sam speaking.

Oh good. Patrons describe the Raven Café as "Cheers" meets "Hogwarts". We have 9 soups daily, grilled deli sandwiches, amazing salads and all the delicious coffee drinks you'd expect from a café. We also have fruit smoothies, coffee shakes and a full bar that includes 8 Michigan microbrews on draught. The walls are decorated with beautiful woodwork and packed with books, posters and artwork. We host live music 3 nights a week and trivia on Sundays. We also roll sushi on the last Sunday of every month.

Sounds magical!

That it is. And more.
